- Corrosive Fluid PVF Solutions
- Industrial PVF
- Instrumentation
- Sanitary Process Division
- Steam, Hot Water, Humidification
- Pipe Shop Capabilities

Carbon Steel Pipe (Black or Galvanized)

- **Continuous Weld (CW) ANSI A53-Grade A**
 - Size (NPS): 1/8" to 4"
 - Weight: Standard (STD) Or Extra Heavy (XH)
 - Ends: Plain End (PE), Threaded & Coupled (T&C), Grooved
- **Electric Resistance Weld (ERW) ANSI A53-B**
 - Size (NPS): 2" to 8"
 - Weight: Standard (STD)
 - Ends: Plain End (PE) Or Grooved
- **Seamless (SMLS) ANSI A106 & A106-B Black**
 - Size (NPS): 1/4" to 12"
 - Weight: Standard (STD) Or Extra Heavy (XH)
 - Ends: Plain End (PE)

Stainless Steel Pipe

- **Welded**
 - AISI Grade: 304, 304L, 316, 316L
 - Schedule: 10, 40
 - Size (NPS): 1/4" to 12"
 - Ends: Plain End (PE)
- **Seamless**
 - AISI Grade: 304
 - Schedule: 80
 - Size (NPS): 1/2" to 2"
 - Ends: Plain End (PE)

Stainless Steel Pressure Tube

- **Welded**
 - AISI Grade: 304, 316
 - Wall: .035" & .049"
 - Size (NPS): 1/4" to 3/4"
- **Seamless**
 - AISI Grade: 304, 316
 - Wall: .035" & .049"
 - Size (NPS): 1/4" to 1/2"

Copper Tube

- **Straight Copper Tube**
 - **Type L Hard Copper Tube**
 - Nominal Sizes: 1/4" to 4"
 - **Type K Hard Copper Tube**
 - Nominal Sizes: 1/4" to 2"
- **Refrigeration Coils**
 - Size: 1/8" to 3/4" O.D. In Stock
 - Length: 50'

Plastic Pipe

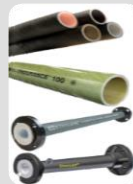

- **PVC Pipe**
 - Schedule 80
 - Size: 1/4" Through 12"
- **CPVC Pipe**
 - Schedule 80
 - Size: 1/2" Through 8"
- **PP-RCT Pipe by Aquatherm**
 - 1/2" through 24" ND
 - -5°F to 200°F
 - Fusion joined
 - Zero corrosion or scaling

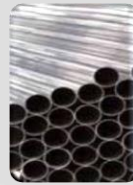

NEW!

Corrosive Fluid Handling Pipe

- **Fiberglass-Reinforced Plastic (FRP) Pipe**
 - Filament Wound FRP Pipe Up To 20', 1" to 30"
 - Continuous Cast FRP Pipe Up To 50', 1" to 8"
 - Fluoropolymer-Lined FRP Pipe, 1" to 72"
- **PTFE-lined Pipe**
 - Carbon Steel Or Stainless Steel Pipe, 1" to 42"
 - PTFE-lined Structural Composite Pipe, 1" to 8"

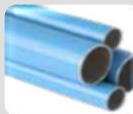

Sanitary Stainless Tube

- ASTM-A270 Polished #7 20Ra/32Ra Sanitary Tube, Grade: 304L & 316L, Size: 1/2"–6"
- ASTM-A269 Unpolished (Bright Annealed) Tube, Grade: 304L & 316L
- ASME BPE Compliant Tube, Grade: 316L, Size: 1/2" - 4"

NEW!

Aluminum Pipe by RapidAir

- Aluminum Blue Pipe for **Compressed Air**
- Aluminum Grey Pipe for Vacuum
- Aluminum Green Pipe for Nitrogen

Pipe Shop Services

- **Cutting:** 1/4" to 16" Carbon Steel, Stainless, Copper, Plastic Pipe Or Tube
- **Threading:** 1/8" to 6" Carbon Steel, Stainless Sch. 40 & 80 Pipe
- **Roll Grooving:** Original Groove System (OGS)
 - 2" to 16" Carbon Steel, Stainless Sch 40 & 80 Pipe (14" & 16" OGS Or AGS)
 - 2" to 6" Stainless Sch 5 & 10 Tube
 - 2" to 3" Copper Tube
- **Beveling:** 1" to 24" - Steel Pipe
- **Pipe Sleeves**
- **Wrapping:** through 8"

PV Line Cards:

- Actuation & Controls
- Commercial Plumbing & HVAC/R
- Corrosive Fluid PVF Solutions
- Industrial PVF
- Instrumentation
- Sanitary Process Division
- Steam, Hot Water, Humidification
- Pipe Shop Capabilities

Ball Valves

- Bronze, Carbon, Stainless, PVC, CPVC, Medical Gas
- 2-pc, 3-pc, Top Entry
- Lockout-Tagout
- Actuator Ready Direct Mount
- ANSI 150-2,500lb
- 2-Way And 3-Way
- Floating And Trunnion, 0.5" - 60"
- Ductile Iron Flanged
- Cast Iron Flanged
- PTFE-lined Composite Body
- Threaded, Flanged, Sweat, Press Ends

Check Valves

- Center Guided, Spring-assisted
- Threaded, Wafer, Flanged, Socket-weld
- Eliminates Water-Hammer
- Wafer Double Disc, 2"-48"
- Wafer Double Flange, 2"-48"
- Wafer Lug Body, 2"-48"
- Wafer Center Guided Silent, 2"-12"
- Globe Center Guided Silent, 2"-24"
- Outside Lever & Weight
- Double Door Spring Loaded Checks
- All Material Types Available

Butterfly Valves

- **Resilient Seated**
- Lug/Wafer, SS Body, EPDM Seat, Lever or Gear
- Lug/Wafer, DI Body, EPDM Seat, Direct Mount Square Stem
- **Double Offset High Performance**
- Lug/Wafer 150# & 300# CS/SS Body X PTFE Seat
- Metal Seated
- **Triple Offset CS X SS 150# & 300# Short Pat. & Lug**
- **PTFE-lined Composite Body** Butterfly Valves

Knife Gate Valves

- Wedge Gate, Knife Gate, Slide Gate, 2"-144", ANSI 150
- Slurry Knife Gate, Throttling, 1"-54", 100PSI CWP-300psi CWP
- Polymer Lined, Knife Gate, Slide Gate, 2"-24"

Plug Valves

- 1"-8" 150 And 30 ANSI, Lubricated, Threaded Or Flanged
- Eccentric Plug Balancing Valve
- Fully Lined (PPL, PVDF, PFA, GRPFA)
- Double Block And Bleed
- Replaceable Seats

Specialty Valves

- Backflow Valves
- Balancing Valves
- Boiler Blowdown Valves
- Control Valves
- Diaphragm Valves - Weir & Straight, Manual & Automated
- Safety Relief Valves
- Sanitary Diaphragm Valves
- Solenoid Valves
- Pressure Reducing Valves

Gate Valves

- Bronze, Threaded
- Rising Stem Or Non-rising Stem
- Cast Steel, 150# & 300# Butt Weld
- Stainless Steel, Flanged Or Threaded
- Rising Stem Or Non-rising Stem
- Forged Steel, Threaded Or Socket Weld
- Forged Steel, 800# Threaded
- Carbon Steel, 125#, 150# & 250# Flanged
- All Iron, Flanged

Actuators & Controls

- Pneumatic, Electric, Pneumatic With Hydraulic Assist
- Slave linkage
- Limit Switches
- Namur Mount Solenoid Valves
- Positioners
- Position Monitors, Control Position Monitors
- Damper Drives

Globe Valves

- Bronze, 125#, 150#, 200#, 300# Threaded
- Bronze Low Lead, 300# CXC
- Cast Steel, 150# & 300# Flanged
- Cast Steel, 150# Flanged Raised Face
- Cast Steel, 300# Butt Weld
- Forged Steel, 800# Bolted Bonnet Threaded Or Socket Weld
- Stainless Steel, 200# Threaded

Instrumentation

- Gauges
- Thermometers
- Controllers & Control Valves
- Pressure & Temperature Regulators
- Protection Tubes
- Pressure, DP, & Temperature Transmitters
- Flow Meters
- Level Transmitters

PV Line Cards:

- Actuation & Controls
- Commercial Plumbing & HVAC/R
- Corrosive Fluid PVF Solutions
- Industrial PVF
- Instrumentation
- Sanitary Process Division
- Steam, Hot Water, Humidification
- Pipe Shop Capabilities

Grooved Fitting Systems

- **Victaulic Grooved Fitting Systems**
 - Couplings
 - Fittings
 - Thredolets, Weldolets, Sockolets
- **Victaulic Installation-Ready Couplings**
 - 607 Rigid **Copper** 300PSI 2-8"
 - 107 Rigid **Carbon** 580PSI 2-8"
 - 177 Flexible **Carbon** 1,000PSI 2-6"

Plain and Bevel End Fitting Systems

- **Butt Weld Fittings** (For Bevel End Pipe)
 - Carbon Steel And Low Temp.
 - Stainless Steel Sch 10 Or 40, Type 304L Or 316L Grade
- **Socket Weld Fittings**
 - Carbon Steel
 - Stainless Steel 150 LB Or 3000 LB, Type 304L Or 316L Grade
- **Socket Fittings**
 - PVC Schedule 80
 - CPVC Schedule 80
- **Sweat Fittings:** Copper
- **Compression Fittings:** 1/8" - 3/4" Bronze, CS, SS

Press Fitting Systems

- Viega Propress Copper 1/2" To 4" Tube Size
- Viega Propress Stainless 1/2" To 2" Tube Size
- Viega Megapress Carbon Steel 1/2" To 4" Pipe Size
- Viega Megapress Stainless Steel 1/2" To 4" Sch 10 & Sch 40 Pipe Size

Threaded Fittings

- Brass 150 LB
- Malleable (Black & Galvanized) Fittings
- Stainless Fittings: 150 LB Or 3000 LB, Schedule 10 Or 40, Type 304L Or 316L Grade
- Cast Iron Fittings
- PVC Schedule 80
- CPVC Schedule 80

Flanged Fittings

- 125# Black Cast Iron Flanged Fittings 1" to 8"
- 125# Galvanized Cast Iron Flanged Fittings 2" to 6"

Hangers & Supports

- Clevis Hangers
- Sanitary Hangers
- All-Thread Rod
- Beam Clamps
- Link-Seal - Modular Seals For Wall Penetrations
- Strut
- Channel

Gaskets, Bolt Packs, & Flange Packs

- **Spiral Wound** WR 304 Chlorocarb Gasket In 150# Or 300#
 - Size: 1/2" Through 12"
- **Non-Asbestos** 150# Gasket In Ring Or Full Face
 - Size: 2" To 12" X 1/16" Thick, 1/8" Thick
- **Red Rubber** 150# Gaskets: Ring Or Full Face
 - Size: 1" Through 12" X 1/8" Thick
- **Teflon** Ring 150#
 - Size: 1" Through 6" X 1/16" Thick

Fittings

- Pipe Nipples
- Expansion Joints
- Flexible Pump Connector
- Strainers
- Sight Glass
- Siphon (Pigtail)
- Indicators
- Quick Disconnect Fittings

Compressed Air, Vacuum, & Nitrogen Systems by RapidAir

- Fittings And Couplings
- Manifolds
- OSHA Approved Blow Guns
- Hose Reels & Hoses
- Valves
- Clamps

Tools, Equipment, Supplies, Lubricants, Sealants

- **Milwaukee** Tools And Pipe Related Equipment In Our Columbus Ohio HQ.
- Hand Tools, PPE Gear, Saw Blades, Anchors, Flashlights, Work Lights, Tarps, Solder, Flux, Brushes, Etc
- **Oatey, Loctite, Blue Magic, Blue Monster, Cutting Oil, Gasoila, Penetrating Oil, Purple Primer, Marking Paint, Bridgit LF Solder**
